

# FCC EXPERIENCE

FÁBRICA CARIOCA  
DE CATALISADORES

## BE SURPRISED WITH OUR LEARNING EXPERIENCE PLATFORM

Being aligned with the global trends and having the goal of offering innovative solutions, Fábrica Carioca de Catalisadores S.A. has a Digital Learning Platform, the FCC EXPERIENCE.

FCC EXPERIENCE is a high performance, user-friendly platform, with focus on the customer and safety in the information, 100% customized and integrated with the streaming technology.

This tool is available in desktop and mobile versions, besides providing numerous interactivity resources that render the presentation of courses and webinars much more complete and differentiated.

**FCC EXPERIENCE**  
Digital Learning Platform

Responsivity

Information safety

Videoconference

Available  
24-hour \*
