

## **FCC S.A. PROVIDES MORE THAN 1 MILLION BRAZILIAN REALS TO SOCIAL PROJECTS**

At the end of last year Fábrica Carioca de Catalisadores (FCC S.A.) provided, by means of fiscal incentives legislation, more than 1 million reais to projects aiming at the social, cultural and economic development of neighboring communities. The resources were destined for institutions providing improved access to culture, education, health, sport and income generation for families with vulnerabilities.

The purpose of this input was to strengthen its commitment with Sustainability through programs which change and positively impact society.

### **Meet the projects and amounts designed for each Fiscal Incentive Law**

The amounts cited below were based on the FCC S.A. 2020 Fiscal Year Income Tax.

#### **FIA – Fundação para a Infância e Adolescência – (Foundation for Infancy and Adolescence)**

**R\$ 149.472,36**

- **Instituto Sorrir para Vida! (Institute Smile for Life!)**

With headquarters in the city of São Paulo this project aims at providing dental treatment to the beneficiaries, that is, to treat an already installed problem such as dental cavities, considered one of the most common oral diseases, especially among infants.

### ▪ **Agência do Bem! (The Goodness Agency!)**

The Music and Citizenship Schools project exists for 14 years, keeping community centers for free music education, chiefly of orchestra instruments, for low-income children and youngsters, offering weekly courses on music theory and perception, instrumental practice and citizenship. The project includes a vocational orchestra. Its focus is to democratize access to culture, launching opportunities for personal and professional training. The funds of the FCC S.A contribution support a music hub in Itaguaí, a municipality of Rio de Janeiro, assisting more than 70 children.
